# Weddings at Pitsford Hall

## Welcome to Pitsford Hall

A glorious treelined avenue, vast green lawns, and a classic understated elegance; your wedding at the historic listed Pitsford Hall can be as individual as you are, all set in the heart of the beautiful and rolling Northamptonshire countryside.

Pitsford Hall is an exclusive-use venue where you have total freedom to host your dream wedding, either on the top lawns with the Hall a glorious backdrop, or an intimate dinner for 50 guests inside Pitsford Hall itself. For a magical few days, Pitsford Hall will be your very own country house hideaway.

## P A C K A G E S

From small, intimate weddings to larger celebrations - and everything in between - at Pitsford Hall we can make your dream day become a reality. Whether your wedding is a free-spirited bohemian affair; a softly lit tepee tent with a trail of festoon lights, glowing fire pits and a canopy of stars overhead or an elegant, classical marquee with a six-piece band, Pitsford Hall is your exclusive use, blank canvas.

With prices starting from as little as £750, our competitive prices are incredibly flexible to suit all budgets. You can make use of our full size Sports Hall, that can be decorated with an indoor marquee to accommodate up to 250 people for dinner and dancing.

The large front lawn in front of Pitsford Hall can be your exclusive marquee venue for the weekend, starting from £1750.

Working together with local wedding planner, Kathryn Leigh, we are pleased to offer a range of packages to enhance your day and take the stress out of planning.

The perfect package for when all of your plans are in place and the countdown is officially on! This package is for you if you require some 'on the day' support.

Kathryn will meet with prospective couples six to eight weeks prior to the wedding to finalise plan and create a wedding day to-do-list. On the day itself, Kathryn will co-ordinate, style & create your vision.

## **The 'Bespoke Package' from £1750**

Working alongside your preferred suppliers, Kathryn will become your main contact and work with your suppliers to finalise timings and logistics ahead of the big day.

If, however, you haven't already booked suppliers, after meeting to discuss your vision for your dream day, Kathryn will source new suppliers and finalise your plans together.

On the wedding day, Kathryn will co-ordinate, style & create your vision.
